

ADITYA SHARMA

8299268810 | aditya89sharma0@gmail.com | [LinkedIn](#) | [GitHub](#)

SUMMARY

Aspiring software developer with hands-on experience in Java, JavaScript, SQL, and web development (HTML, CSS, React.js). Comfortable working with Git/GitHub for version control and writing clean, maintainable code. Strong intellectual curiosity, quick learner, and eager to contribute to a growing engineering team.

TECHNICAL SKILLS

Languages: Java, JavaScript, SQL, HTML, CSS

Frameworks/Libraries: React.js, Tailwind CSS, React Router DOM

Tools & Platforms: Git, GitHub, VS Code, Eclipse

Concepts: Object-Oriented Programming, Collections, Exception Handling

PROJECTS

Recipe Manager App

React.js, Tailwind CSS, React Router DOM, React-Toastify | [GitHub Link](#)

- Built a full CRUD recipe management application supporting add, edit, and delete operations.
- Implemented image uploads, ingredient/instruction management, and data persistence using local storage.
- Used React-Toastify for real-time UI feedback on user actions.
- Version-controlled the codebase with Git and GitHub, following a component-based architecture.

Professional Dashboard

HTML, CSS, Vanilla JavaScript | [GitHub Link](#)

- Developed a productivity dashboard with a to-do list, daily planner, and Pomodoro timer using vanilla JavaScript.
- Integrated a live weather API and a theme switcher for personalized user customization.
- Used GitHub for source control and iterative development.

EXPERIENCE

Internshala Student Partner (ISP)

Dec 2023 – Jan 2025

Internshala

- Represented Internshala on campus, helping students discover internships and online trainings aligned with their goals.
- Conducted awareness sessions that contributed to increased student sign-ups and platform engagement.
- Acted as liaison between Internshala and college peers, supporting connections with 80,000+ partner brands.
- Strengthened communication, collaboration, and project coordination skills through training contests and team initiatives.

Virtual Intern

Jan 2023 – Feb 2023

Hamari Pahchan NGO, New Delhi (Remote)

- Designed posters and digital creatives for social media to support NGO campaigns and outreach.
- Created and managed content that contributed to increased online engagement and awareness.
- Assisted crowdfunding initiatives by developing promotional content and digital strategies.
- Supported drafting and filing of documentation related to NGO operations and compliance.

EDUCATION

Bachelor of Computer Applications (BCA)

Aug 2022 – July 2025

Maharishi Dayanand University, Rohtak, Haryana
